### **Imperialism America Section 1 Quiz**

Although Africa is physically remote from the power centers of Europe, North America, and Asia, it is surrounded by water and can therefore be reached easily from the other continents. This meant that the Europeans needed to establish rules for dealing with one another if they were to avoid constant bloodshed and competition for African resources.

Systematic European colonization began in 1492, when a Spanish expedition headed by the Italian explorer Christopher Columbus sailed west to find a new trade route to the Far East but inadvertently landed in what came to be known to Europeans as the "New World". He ran aground on the northern part of Hispaniola on 5 December 1492, which the Taino people had inhabited since the 9th century; the ...
