In this lesson, we will go over what planned ignoring means and when it can be used. We will discuss why it is effective in the classroom and talk about specific ways to implement it.

Planned Ignoring in the Classroom: Strategy & Examples ...

African-American history is the part of American history that looks at the history of African Americans or Black Americans in the United States.. Although previously marginalized, African-American history has gained ground in school and university curricula and received wider scholarly attention since the late 20th century. The black history that pre-dates the slave trade is rarely taught in ...
