Section 4 1 Review The

Start studying Section 4-1 Review The History of cell biology. Learn vocabulary, terms, and more with flashcards, games, and other study tools.

Section 4-1 Review The History of cell biology Questions ...

Section 4-1 Review. Diffusion of ions across a cell membrane require ions to be facilitated through a cell membrane because they are passing through a phospholipid bilayer with a hydrophobic interior. Nonpolar molecules are also hydrophobic, so they can pass through the membrane easily, if they are small enough.
